Plaintiff,

v.

COMPLAINT

JAY D. KUHLMAN AND JAY D. KUHLMAN,
DVM, D/B/A GRAMERCY PARK ANIMAL
HOSPITAL,

JURY TRIAL REQUESTED

Defendants.

-----x
COMPLAINT

Plaintiff Oliver Bueno (hereafter referred to as “Plaintiff”), by counsel, Hanski Partners LLC, as and for the Complaint in this action against Defendants Jay D. Kuhlman and Jay D. Kuhlman, DVM, d/b/a Gramercy Park Animal Hospital (together referred to as “Defendants”), hereby alleges as follows:

NATURE OF THE CLAIMS

1. This lawsuit opposes pervasive, ongoing, and inexcusable disability discrimination by the Defendants. In this action, Plaintiff seeks declaratory, injunctive, and equitable relief, as well as monetary damages and attorney’s fees, costs, and expenses to redress Defendants’ unlawful disability discrimination against Plaintiff, in violation of Title III of the Americans with Disabilities Act (“ADA”) 42 U.S.C. §§ 12181 *et. seq.* and its implementing regulations, the New York State Human Rights Law (“NYSHRL”), Article 15 of the New York State Executive Law (“Executive Law”), the New York State Civil Rights Law, § 40 *et. seq.*, and the New York City Human Rights Law (“NYCHRL”), Title 8 of the Administrative Code of the City of New York (“Administrative Code”). As explained more fully below, Defendants own, lease, lease

to, operate, and control a place of public accommodation that violates the above-mentioned laws. Defendants are vicariously liable for the acts and omissions of their employees and agents for the conduct alleged herein.

2. These Defendants made a financial decision to ignore the explicit legal requirements for making their place of public accommodation accessible to persons with disabilities – all in the hopes that they would never be caught. In so doing, Defendants made a calculated, but unlawful, decision that disabled customers are not worthy. The day has come for Defendants to accept responsibility. This action seeks to right that wrong via recompensing Plaintiff and making Defendants' place of public accommodation fully accessible so that Plaintiff can finally enjoy the full and equal opportunity that Defendants provide to non-disabled customers.

JURISDICTION AND VENUE

3. This Court has jurisdiction over this matter pursuant to 42 U.S.C. § 12188, and 28 U.S.C. §§ 1331 and 1343 as this action involves federal questions regarding the deprivation of Plaintiff's rights under the ADA. The Court has supplemental jurisdiction over Plaintiff's related claims arising under the New York State and City laws pursuant to 28 U.S.C. § 1337(a).

4. Venue is proper in this district pursuant to 28 U.S.C. § 1331(b) because Defendants' acts of discrimination alleged herein occurred in this district and Defendants' place of public accommodation that is the subject of this action is located in this district.

PARTIES

5. At all times relevant to this action, Plaintiff Oliver Bueno has been and remains currently a resident of the State and City of New York.

6. At all times relevant to this action, Plaintiff Oliver Bueno has been and remains a wheelchair user. Plaintiff suffers from medical conditions that inhibit walking and restrict body motion range and movement.

7. Defendant Jay D. Kuhlman owns the property located at 37 East 19th Street in New York County, New York (hereinafter referred to as “37 East 19th Street”).

8. Defendant Jay D. Kuhlman, DVM, d/b/a Gramercy Park Animal Hospital operates a veterinary practice commonly known as “Gramercy Park Animal Hospital”

9. At all relevant times, defendant Jay D. Kuhlman, DVM, d/b/a Gramercy Park Animal Hospital operates and/or leases property located at 37 East 19th Street, from defendant Jay D. Kuhlman, in which the veterinary practice commonly known as “Gramercy Park Animal Hospital” is located (hereinafter referred to as the “Veterinary premises”).

10. Each defendant does business in New York State.

ALLEGATIONS COMMON TO ALL CAUSES OF ACTION

11. Each of the Defendants is a public accommodation as they own, lease, lease to, control or operate a place of public accommodation, the Veterinary premises located at 37 East 19th Street, within the meaning of the ADA (42 U.S.C. § 12181 and 28 C.F.R. § 36.104), the NYSHRL (Executive Law § 292(9)) and the NYCHRL (Administrative Code § 8-102).

12. The Veterinary premises is a place of public accommodation within the meaning of the ADA (42 U.S.C. § 12181 and 28 C.F.R. § 36.104), the NYSHRL (Executive Law § 292(9)) and the NYCHRL (Administrative Code (§ 8-102)) as it is a facility operated by a private entity and its operations effect commerce.

13. Numerous architectural barriers exist at the Veterinary premises that prevent and/or restrict access to Plaintiff, a person with a disability, which include, but are not limited to, architectural barriers at the paths of travel.

14. Upon information and belief, at some time after January 1992, alterations were made to 37 East 19th Street, including areas adjacent and/or attached to 37 East 19th Street.

15. Upon information and belief, at some time after January 1992, alterations were made to the Veterinary premises, and to areas of 37 East 19th Street related to the Veterinary premises.

16. Within the past three years of filing this action, Plaintiff visited and attempted to and desired to access the Veterinary premises, including as recently as January 2025.

17. The services, features, elements and spaces of the Veterinary premises are not readily accessible to, or usable by Plaintiff as required by the 1991 ADA Standards for Accessible Design codified in 28 C.F.R. Part 36, Appendix D (hereinafter referred to as the “1991 Standards” or the “1991 ADA”) or in the 2010 ADA Standards for Accessible Design codified in 36 CFR part 1191 Appendices B and D and 28 CFR part 36 subpart D (hereinafter referred to as the “2010 Standards” or the “2010 ADA”).

18. Because of Defendants' failure to comply with the above-mentioned laws, including but not limited to the 1991 Standards or the 2010 Standards and the Administrative Code, Plaintiff was and has been unable to enjoy independent, safe, equal, and complete access to the Veterinary premises.

19. Defendants' place of public accommodation has not been designed, constructed, or altered in compliance with the 1991 Standards, the 2010 Standards, the 1968 New York City Building Code, Administrative Code, Title 27 ("1968 BC"), including the 1968 BC Reference Standard ANSI 117.1-1986 ("1968 Ref Std"), the 2008 New York City Building Code ("2008 BC") including the 2008 BC Reference Standard ICC/ANSI 117.1 2003 ("2008 Ref Std") and the 2014 New York City Building Code ("2014 BC") including the 2014 BC Reference Standard ICC/ANSI 117.1 2009 ("2014 Ref Std").

20. Barriers to access that Plaintiff encountered and/or which deter Plaintiff from patronizing the Veterinary premises as well as architectural barriers that exist include, but are not limited to, the following:

- I. An accessible route is not provided from the public street and sidewalk to the public entrance to the Veterinary premises.
Defendants fail to provide that at least one accessible route shall be provided within the site from public streets and sidewalks to the accessible building or facility entrance they serve. See 1991 ADA § 4.1.2(1); 2010 ADA § 206.2.1; 1968 BC§ 27-292.5(b); 2008 BC § 1104.1; and 2014 BC § 1104.1.
- II. The public entrance to the Veterinary premises is not accessible
Defendants fail to provide that at least 50% of all its public entrances are accessible. See 1991 ADA § 4.1.3(8)(a)(i).
Defendants fail to provide that at least 60% of all its public entrances are accessible. See 2010 ADA § 206.4.1.
Defendants fail to provide that primary entrances are accessible. See 1968 BC § 27-292.5(a).

Defendants fail to provide that all of its public entrances are accessible. See 2008 BC § 1105.1; and 2014 BC § 1105.1.

- III. The route from the sidewalk to the public entrance of the Veterinary premises slopes in excess of 5.0% and has cross slopes in excess of 2.0%. *Defendants fail to provide accessible routes that are stable, firm and slip resistant with running slopes not more than five percent (1:20) and cross slopes not more than two percent (1:48). See 1991 ADA § 4.3.1; 2010 ADA § 403.1; 1968 Ref Std § 4.3.1; 2008 Ref Std § 403.1; and 2014 Ref Std § 403.1.*
- IV. No signage identifies an accessible entrance to the Veterinary premises (to the extent Defendants claim they provide an accessible public entrance). *Defendants fail to display signage (marked with the International Symbol of Accessibility or otherwise) that identifies an accessible entrance. See 1991 ADA §§ 4.1.2(7)(c); 4.1.3(8)(d); and 4.1.6(1)(h); 2010 ADA § 216.6; 1968 BC § 27- 292.18; 2008 BC § 1110; and 2014 BC §§ 1101.3.4; and 1110.*
- V. There is no directional signage at the inaccessible entrance to the Veterinary premises that indicates the location of an accessible entrance to the Veterinary premises (to the extent Defendants claim they provide an accessible entrance). *Defendants do not provide and display signage at the inaccessible public entrance (marked with the International Symbol of Accessibility or otherwise) that indicates the location of an accessible entrance. See 1991 ADA §§ 4.1.6(1)(h) and 4.1.3(8)(d); and 2010 ADA Standards § 216.6. Defendants fail to provide directional signage at necessary locations. See 1968 BC § 27-292.18(b).* *Defendants fail to provide directional signage by the inaccessible entrance indicating the route to the nearest accessible entrance. See 2008 BC § 1110.2; and 2014 BC §§ 1101.3.3; and 1110.2.*
- VI. Maneuvering clearances for pulling open the entrance door to the Veterinary premises is not provided. *Defendants fail to provide that floor or ground surface within required maneuvering clearances at doors shall have slopes not steeper than 1:48 (2.0%) and changes in level are not permitted. 60 inches perpendicular to the door for 18 inches parallel to the door beyond the latch is required for a forward approach to the pull side of a door, or 54 inches perpendicular to the door for 24 inches parallel to the door beyond the latch is required for a latch approach to the pull side of a door. See 1991 ADA § 4.13.6; 2010 ADA § 404.2.4; 1968 Ref Std § 4.13.6; 2008 Ref Std § 404.2.3; and 2014 Ref Std § 404.2.3.*
- VII. The entrance to the Veterinary premises, which is also an exit, is not accessible for the reasons described above.

Defendants fail to provide accessible means of egress in the number required by the code. See 1991 ADA § 4.1.3(9); 2010 ADA § 207.1; 1968 BC §§ 27-292.1 and 27-357(d); 2008 BC § 1007.1; and 2014 BC § 1007.1.

21. Plaintiff either personally encountered or has knowledge of such barriers to access.

22. Upon information and belief, a full inspection of the Veterinary premises will reveal the existence of other barriers to access.

23. As required by the ADA (remedial civil rights legislation) to properly remedy Defendants' discriminatory violations and avoid piecemeal litigation, Plaintiff requires a full inspection of the Veterinary premises in order to catalogue and cure all of the areas of non-compliance with the ADA. Notice is therefore given that Plaintiff intends on amending the Complaint to include any violations discovered during an inspection that are not contained in this Complaint.

24. Defendants have denied Plaintiff the opportunity to participate in or benefit from services or accommodations because of disability.

25. Defendants have not satisfied their statutory obligation to ensure that their policies, practices, procedures for persons with disabilities are compliant with the laws. Nor have Defendants made or provided accommodations or modifications to persons with disabilities.

26. Plaintiff has a realistic, credible, and continuing threat of discrimination from the Defendants' non-compliance with the laws prohibiting disability discrimination. The barriers to access within the Veterinary premises continue to exist and deter Plaintiff.

27. Plaintiff owns a cat, a tabby cat named Bayley.

28. Plaintiff takes Bayley to the Veterinary premises for veterinary services.

29. However, due to the architectural barriers identified herein, Plaintiff cannot independently or safely alone access the Veterinary premises.

30. Due to the architectural barriers identified herein Plaintiff must rely on the kindness of strangers to safely access the Veterinary premises.

31. Because of the architectural barriers identified herein Plaintiff is concerned for his personal health and safety every time he takes Bayley for an appointment at the Veterinary premises.

32. Because of the architectural barriers identified herein Plaintiff feels frustrated, humiliated and angry that he must rely on the kindness of strangers to safely access the Veterinary premises.

33. Plaintiff needs to go to the Veterinary premises at least once a year -- for Bayley's annual physical -- and Plaintiff desires that Bayley continue receiving annual physicals and preventative health care at the Veterinary premises.

34. Plaintiff intends on continuing Bayley's medical care at the Veterinary premises with more frequency when it becomes fully accessible.

35. Defendants' failure to make their place of public accommodation accessible denies Plaintiff the opportunity to participate in or benefit from services or accommodations because of disability.

36. Plaintiff has a realistic, credible and continuing threat of discrimination from the Defendants' non-compliance with the laws prohibiting disability discrimination. The barriers to access at Defendants' place of public accommodation continue to exist and deter Plaintiff.

37. Plaintiff will no longer be deterred from accessing medical care for Bayley and will be able to have equal access to the Veterinary premises, and would utilize the

veterinary services at the Veterinary premises several times a year for Bayley after it becomes fully accessible and compliant with the ADA, 1991 Standards or the 2010 Standards, and the Administrative Code.

FIRST CAUSE OF ACTION
(VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT)

38. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

39. Plaintiff is substantially limited in the life activity of both walking and body motion range and thus has a disability within the meaning of the ADA. As a direct and proximate result of Plaintiff's disability, Plaintiff uses a wheelchair for mobility, and also has restricted use of arms and hands.

40. The ADA imposes joint and several liability on both the property owner and lessee of a public accommodation. 28 C.F.R. 36.201(b).

41. Under the ADA, both the property owner and lessee are liable to the Plaintiff, and neither can escape liability by transferring their obligations to the other by contract (i.e. lease agreement). 28 C.F.R. 36.201(b).

42. Defendants have and continue to subject Plaintiff to disparate treatment by denying Plaintiff full and equal opportunity to use their place of public accommodation all because Plaintiff is disabled. Defendants' policies and practices have and continue to subject Plaintiff to disparate treatment and disparate impact.

43. By failing to comply with the law in effect for decades, Defendants have articulated to disabled persons such as the Plaintiff that they are not welcome, objectionable, and not desired as patrons of their public accommodation.

44. Defendants have discriminated against the Plaintiff by designing and/or constructing a building, facility and place of public accommodation that is not readily accessible to and usable by the disabled Plaintiff and not fully compliant with the 1991 Standards or the 2010 Standards. See 28 C.F.R. § 36.401(A)(1) and 42 U.S.C. §12183(a)(1).

45. The Veterinary premises are not fully accessible and fail to provide an integrated and equal setting for the disabled, all in violation of 42 U.S.C. §12182(b)(1)(A) and 28 C.F.R. § 36.203.

46. Defendants failed to make alteration accessible to the maximum extent feasible in violation of 28 C.F.R. §§ 36.402 and 36.406 and 42 U.S.C. §12183(a)(2).

47. The paths of travel to the altered primary function areas were not made accessible in violation of 28 C.F.R. § 36.403.

48. Defendants failed to make all readily achievable accommodations and modifications to remove barriers to access in violation of 28 C.F.R. § 36.304. It would be readily achievable to make Defendants' place of public accommodation fully accessible.

49. By failing to remove the barriers to access where it is readily achievable to do so, Defendants have discriminated against Plaintiff on the basis of disability in violation of § 302(a) and 302(b)(2)(A)(iv) of the ADA, 42 U.S.C. § 12182(a), (b)(2)(A)(iv), and 28 C.F.R. § 36.304.

50. In the alternative, Defendants have violated the ADA by failing to provide Plaintiff with reasonable alternatives to barrier removal as required by 28 C.F.R. § 36.305.

51. Defendants' failure to remove the barriers to access constitutes a pattern and practice of disability discrimination in violation of 42 U.S.C. § 12181 *et. seq.*, and 28 C.F.R. § 36.101 *et. seq.*

52. Defendants have and continue to discriminate against Plaintiff in violation of the ADA by maintaining and/or creating an inaccessible place of public accommodation.

SECOND CAUSE OF ACTION
(VIOLATIONS OF THE NEW YORK STATE HUMAN RIGHTS LAW)

53. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

54. Plaintiff suffers from various medical conditions that separately and together prevent the exercise of normal bodily functions in Plaintiff; in particular, the life activities of both walking and body motion range. Plaintiff therefore suffers from a disability within the meaning of the Executive Law § 292(21).

55. In 2019, the New York State legislature enacted legislation that provides effective immediately that the New York State Human Rights Law shall be "construed liberally for the accomplishment of the remedial purposes thereof, regardless of whether federal civil rights laws, including those laws with provisions worded comparably to the provisions of this article, have been so construed". See Executive Law § 300 [effective date: August 12, 2019].

56. By amending the Executive Law § 300 to mirror the text of the New York City Local Civil Rights Restoration Act of 2005 (Local Law 85 of 2005), the New York State legislature confirmed the legislative intent to abolish parallel construction between the New York State Human Rights Law and related Federal anti-discrimination laws.

57. Defendants have and continue to subject Plaintiff to disparate treatment by denying Plaintiff equal opportunity to use their place of public accommodation all because Plaintiff is disabled.

58. Defendants discriminated against Plaintiff in violation of NYSHRL (Executive Law § 296(2)), by maintaining and/or creating an inaccessible place of public accommodation. Each of the Defendants have aided and abetted others in committing disability discrimination.

59. Defendants have failed to make all readily achievable accommodations and modifications to remove barriers to access in violation of NYSHRL (Executive Law § 296(2)(c)(iii)).

60. In the alternative, Defendants have failed to provide Plaintiff with reasonable alternatives to barrier removal as required in violation of NYSHRL (Executive Law § 296(2)(c)(v)).

61. It would be readily achievable to make Defendants' place of public accommodation fully accessible.

62. It would not impose an undue hardship or undue burden on Defendants to make their place of public accommodation fully accessible.

63. As a direct and proximate result of Defendants' unlawful discrimination in violation of NYSHRL, Plaintiff has suffered, and continues to suffer emotional distress, including but not limited to humiliation, embarrassment, stress, and anxiety.

64. Plaintiff has suffered and will continue to suffer damages in an amount to be determined at trial.

THIRD CAUSE OF ACTION
(VIOLATIONS OF THE NEW YORK CITY HUMAN RIGHTS LAW)

65. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

66. Plaintiff suffers from various medical conditions that separately and together, impair Plaintiff's bodily systems - in particular, the life activity of both walking and body motion range -and thus Plaintiff has a disability within the meaning of the NYCHRL (Administrative Code § 8-102).

67. The Local Civil Rights Restoration Act of 2005 (the "Restoration Act"), also known as Local Law 85, clarified the scope of the Administrative Code in relation to the NYCHRL. The Restoration Act confirmed the legislative intent to abolish "parallelism" between the NYCHRL and the Federal and New York State anti-discrimination laws by stating as follows:

The provisions of this title shall be *construed liberally* for the accomplishment of the uniquely broad and remedial purposes thereof, regardless of whether federal or New York State civil and human rights laws, including those laws with provisions comparably-worded to provisions of this title, have been so construed.
Restoration Act § 7 amending Administrative Code §8-130 of the NYCHRL (emphasis added). The Restoration Act is to be construed broadly in favor of Plaintiff to the fullest extent possible. See also New York City Local Law 35 of 2016.

68. Defendants have and continue to subject Plaintiff to disparate treatment and disparate impact by directly and indirectly refusing, withholding, and denying the accommodations, advantages, facilities, and privileges of their place of public accommodation all because of disability in violation of the NYCHRL (Administrative Code § 8-107(4)). Each of the Defendants have aided and abetted others in committing disability discrimination.

69. Defendants have and continue to commit disability discrimination in violation of the Administrative Code (inclusive of § 8-107(4)) because of the violations of the ADA as alleged herein.

70. Defendants have discriminated, and continue to discriminate, against Plaintiff in violation of the NYCHRL (Administrative Code § 8-107(4)) by designing, creating and/or maintaining an inaccessible commercial facility/space.

71. Defendants have subjected, and continue to subject, Plaintiff to disparate treatment by directly and indirectly refusing, withholding, and denying the accommodations, advantages, facilities, and privileges of their commercial facility/space all because of disability in violation of the NYCHRL (Administrative Code § 8-107(4)).

72. Defendants' policies and procedures inclusive of the policies of refusing to expend funds to design, create and/or maintain an accessible commercial facility/space is a discriminatory practice in violation of NYCHRL (Administrative Code § 8-107 (4)).

73. Defendants' failure to provide reasonable accommodations for persons with disabilities, inclusive of Defendants' failure to remove the barriers to access identified herein, and their consequent denial of equal opportunity to Plaintiff, constitutes an ongoing continuous pattern and practice of disability discrimination in violation of NYCHRL (Administrative Code §§ 8-107(4) and 8-107(15)).

74. In violation of the NYCHRL (Administrative Code § 8-107(6)), Defendants have and continue to, aid and abet, incite, compel, or coerce each other in each of the other Defendants' attempts to, and in their acts of directly and indirectly refusing, withholding, and denying the accommodations, advantages, facilities, and

privileges of their commercial facility/space and the place of public accommodation therein, all because of disability, as well as other acts in violation of the NYCHRL.

75. Administrative Code §§ 19-152 and 7-210 impose a non-delegable duty on the property owner to repave, reconstruct, repair, and maintain its abutting public sidewalk. As a result, Jay D. Kuhlman continuously controlled, managed, and operated the public sidewalk abutting 37 East 19th Street, which includes the portion of the sidewalk constituting the entrance to Defendants' place of public accommodation.

76. Jay D. Kuhlman's failure to construct and maintain an accessible entrance from the public sidewalk to Defendants' place of public accommodation constitutes disability discrimination in a violation of the Administrative Code.

77. Defendants discriminated against Plaintiff in violation of the NYCHRL (Administrative Code, § 8-107(4)) by maintaining and/or creating an inaccessible public accommodation.

78. Defendants' conduct also violates the NYCHRL, Administrative Code 8-107 (17), which states that "an unlawful discriminatory practice . . . is established . . . [when plaintiff] demonstrates that a policy or practice of a covered entity or a group of policies or practices of a covered entity results in a disparate impact to the detriment of any group protected by the provisions of this chapter."

79. Because Defendants' public accommodation is not readily accessible and usable by people with disabilities, Defendants have demonstrated a policy or practice that has a disproportionately negative impact on the disabled (including Plaintiff).

80. Defendants' conduct constitutes an ongoing and continuous violation of the NYCHRL. Unless Defendants are enjoined from further violations, Plaintiff will

continue to suffer injuries for which there is no adequate remedy at law. In particular, Plaintiff will suffer irreparable harm by being denied the accommodations, advantages, facilities, or privileges of the Defendants' public accommodation.

81. As a direct and proximate result of Defendants' unlawful discrimination in violation of the NYCHRL, Plaintiff has suffered, and continues to suffer emotional distress, including but not limited to humiliation, stress, and embarrassment.

82. Upon information and belief, Defendants' long-standing refusal to make their place of public accommodation fully accessible was deliberate, calculated, egregious, and undertaken with reckless disregard to Plaintiff's rights under the NYCHRL.

83. By failing to comply with the law in effect for decades, Defendants have articulated to disabled persons such as the Plaintiff that they are not welcome, objectionable, and not desired as patrons of their public accommodation.

84. Defendants engaged in discrimination with willful or wanton negligence, and/or recklessness, and/or a conscious disregard of the rights of others and/or conduct so reckless as to amount to such disregard for which Plaintiff is entitled to an award of punitive damages pursuant to NYCHRL (Administrative Code § 8-502).

85. By refusing to make their place of public accommodation accessible, Defendants have unlawfully profited from their discriminatory conduct by collecting revenue from a non-compliant space and pocketing the money that they should have lawfully expended to pay for a fully compliant and accessible space. Defendants' unlawful profits plus interest must be disgorged.

86. Plaintiff has suffered and will continue to suffer damages in an amount to be determined at trial.

FOURTH CAUSE OF ACTION
(VIOLATIONS OF THE NEW YORK STATE CIVIL RIGHTS LAW)

87. Plaintiff realleges and incorporates by reference all allegations set in this Complaint as if fully set forth herein.

88. Defendants discriminated against Plaintiff pursuant to New York State Executive Law.

89. Consequently, Plaintiff is entitled to recover the monetary penalty prescribed by Civil Rights Law §§ 40-c and 40-d for each and every violation.

90. Notice of this action has been served upon the Attorney General as required by Civil Rights Law § 40-d.

INJUNCTIVE RELIEF

91. Plaintiff will continue to experience unlawful discrimination as a result of Defendants' failure to comply with the above-mentioned laws. Therefore, injunctive relief is necessary to order Defendants to alter and modify their place of public accommodation and their operations, policies, practices, and procedures.

92. Injunctive relief is also necessary to make Defendants' facilities readily accessible to and usable by Plaintiff in accordance with the above-mentioned laws.

93. Injunctive relief is further necessary to order Defendants to provide auxiliary aids or services, modification of their policies, and/or provision of alternative methods, in accordance with the ADA, NYSHRL, and the NYCHRL.

JURY DEMAND

Plaintiff demands a trial by jury on all claims so triable.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff respectfully requests that the Court enter a judgment against the Defendants, jointly and severally, in favor of Plaintiff that contains the following relief:

- A. Enter declaratory judgment declaring that Defendants have violated the ADA and its implementing regulations, the NYSHRL, and the NYCHRL and declaring the rights of Plaintiff as to Defendants' place of public accommodation, and Defendants' policies, practices, and procedures;
- B. Issue a permanent injunction ordering **Defendants to close and cease all business** until Defendants remove all violations of the ADA, the 1991 Standards or the 2010 Standards, the NYSHRL, and the NYCHRL, including but not limited to the violations set forth above;
- C. Retain jurisdiction over the Defendants until the Court is satisfied that the Defendants' unlawful practices, acts and omissions no longer exist and will not reoccur;
- D. Award Plaintiff compensatory damages as a result of Defendants' violations of the NYSHRL and the NYCHRL;
- E. Award Plaintiff punitive damages in order to punish and deter the Defendants for their violations of the NYCHRL;
- F. Award Plaintiff the monetary penalties for each and every violation of the law, per defendant, pursuant to New York State Civil Rights Law §§ 40-c and 40-d;
- G. Find that Plaintiff is a prevailing party and award reasonable attorney's fees, costs, and expenses pursuant to the NYSHRL and the NYCHRL;

H. Find that Plaintiff is a prevailing party and award reasonable attorney's fees, costs, and expenses pursuant to the ADA; and

I. For such other and further relief, at law or in equity, to which Plaintiff may be justly entitled.
